

## The Famous Creg VIP Hospitality Packages for TT 2010

In the current climate, everyone wants value for their money and at The Famous Creg we're no different. At The Famous Creg we're determined to go the extra mile to make TT 2010 the ultimate experience for our VIP guests, which is why we've made our 5 Star VIP Hospitality Package even better value.

Our 5 Star VIP Hospitality Package includes:

- exclusive use of The Famous Creg on TT Race Days for groups or individuals, with the Hotel closed to the general public
- the warmest of receptions on arrival, with a Continental Breakfast, Bacon Butties, Bucks Fizz, Tea and Coffee on arrival
- a Gourmet Buffet Lunch including freshly cooked meats, seafood medleys, delicious salads, home made desserts, Manx cheese and biscuits
- complimentary wine, draught beers, canned drinks, water, tea & coffee throughout the day
- possibly the best vantage point on the course. As one of the privileged few, you will enjoy spectacular views of race action from our First Floor Balconies and Verandah Suite. Watch riders approach from Kate's, negotiate Creg Corner and accelerate up to 200mph towards Brandish
- a guarantee that should the Races on your Hospitality Day be postponed, we will give you access to our VIP Suite on the next available Race Day. In the event of Races being delayed, our big screen Plasma TV will show TT Highlights

With only 100 places available per Race Day, and with possibly the best vantage point on the TT Course, we won't have spaces for long. Ensure you avoid disappointment and make your reservation as soon as possible. We also have day tickets available to purchase, before or on the day, for our Exclusive Grandstand with its fantastic views.
